WHO ARE WE?

hint® is a refreshing alternative to sodas, juice and other sweetened drinks and it tastes great! We are on a mission to help the world live a healthy lifestyle, both by offering our delicious products for consumption, and by supporting other healthy initiatives. Apparently, we have struck a chord, and our water is popping up in all sorts of places such as Time Magazine, the Academy Awards, on Grey's Anatomy and in the hands of fans such as John Legend, Steven Spielberg and Charlize Theron. hint was named one of the "15 Startups You Need to Know for 2015" by Forbes.

Founded in 2005 by former AOL Executive and Award-Winning Entrepreneur, Kara Goldin, **hint**® has expanded to over 16 delicious flavors and 6 flavors of **hintfizz**®, a line of unsweetened sparkling water. We recently introduced our third product line, **hint kick**™, marrying the same delicious fruit-kissed water with a light touch of caffeine! The leader in flavored essence water, **hint**®, and **hintfizz**®, can be found in fine grocery and retailers across the United States such as Whole Foods, Andronico's, The Fresh Market, Starbucks and Bristol Farms. **hint**®, can also be purchased online at www.drinkhint.com and Amazon.com.

The idea behind hint is simple: pure water, nature's original refreshment, accented with fruit essence. No sugar, no diet sweeteners. EVER.
